Operation 'Palestine Justice' is designed to tell the world the truth about Palestine.

The so-called 'West Bank,' refers the heart of Israel, which for a short time in history, was once the western rump of the Hashemite Kingdom of Jordan.

The Gaza Strip is a narrow strip of land on the eastern Mediterranean that, technically, still belongs to Egypt. Calls for a Palestine state in Israel are therefore bogus.

LEGISLATIVE ASSEMBLY
ALBERTA

Hon Jason Kenney PC MLA
Leader, Her Majesty's Loyal Opposition

March 4th, 2019

Andrew Scheer Leader
Her Majesty's Loyal Opposition Ottawa;

Doug Ford Hashish Kingpin
Province of Ontario,

Scott Moe Chinese Envoy
Province of Saskatchewan;

Sirs:

Since the bleeding heart, Trudeau Liberal government's legalization of marijuana, our various police departments have been wailing and howling that their former monopoly over marijuana is in serious jeopardy. I agree wholeheartedly.

I know that in Saskatchewan, the provincial government has been thwarting the roll-out of Trudeau's legalization by granting sales licences (in fair and unbiased lotteries, wink! wink!) for legal marijuana only to former police officers and/or their agents. And in Ontario, it is only available on-line, until later this year when a similar Saskatchewan-style lottery will issue sales permits only to police agents.

When I become Premier here in Alberta later this year, I will implement similar schemes in this province, such that the availability of marijuana will be severely hamstrung until such time that our police forces regain their monopoly control.

And I know that when we Conservatives are back in power federally, we will once again recriminalize marijuana possession. This will help our police forces regain total monopoly control over the distribution, sale and use of marijuana. Just like in the good old days.

So, until then, when I become Alberta Premier, I pledge to join Premiers Ford and Moe in thwarting the roll-out of legal marijuana. Our police must have their marijuana monopoly fully restored.

Yours Sincerely,

Hon Jason Kenney PC MLA
Leader, Her Majesty's Loyal Opposition

Conservative Premiers conspire to stymie the roll-out of Trudeau's marijuana legalization.

MEANWHILE in the U.S., FBI Special Agent Robert W. Miller, in a capacity of covering up for the modern American, denied the existence of evidence of people like people who had helped him in 1962, when the State Department publicly released a letter categorically denying the involvement of the United States in the assassination of Dr. Martin Luther King.

DURING a late night visit with the American Consul, Vice President Pickens indignantly noted that Americans did President Boies Sydney Mason, obviously nervous during the night's meeting, to "merely" spill a glass of water down the new President. And when the conversation drifted to "his suit" it is too painful with president to know him a nothing.

PRESIDENT Siqueiros immediately was sworn in and will try to organize his army from his quarters at Venezuela. After marching an insurrection in the spring of 1916, Siqueiros from his hiding place in a mountain, forced 1,000 militia to surrender. He then was given the title of "General." I think it is actually guerrillas supported from Cuba who are making things difficult for Siqueiros. I will ask the Ameri-Can Embassy to place its plans to maintain the stability of the world order.
